***Response to Amendment***

***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:  
  
The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter, which the applicant regards as his invention.
2. Claim 1 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention is withdrawn.

***Claim Rejections - 35 USC § 103***

1. Claims 1-3, 5-8 are rejected under 35 U.S.C. 103(a) as being unpatentable over WO 97/26315 in view of Taylor et al (4,053,666) .  
  
Claim 9 are rejected under 35 U.S.C. 103(a) as being unpatentable over WO 97/26315 in view of Taylor et al (4,053,666) and further in view of Nakama et al (4,919,846).

***Response to Arguments***

Applicant argues that Taylor et al do not teach that its glass walls include F-dyes.

The examiner contends and respectfully disagrees. Taylor et al teach that the coating of the polymeric film, which makes up the glass container, includes materials such as fluorescent dyes to protect the contents of the container from UV or visible radiation (col. 4, lines 10-17).

Applicant argues that Taylor et al appear to teach away from including coloring materials in the walls to avoid recycling problems.

The examiner contends that Taylor et al teach that colorants in the coating of the walls are advantageous and produced without unusual requirements (col. 4, lines 5-7).

***Conclusion***

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
